Archbishop Wenski Honors The Garcia Family with One in Faith award

Archbishop Thomas Wenski will be honoring Principal Ana Garcia and her family with the One in Faith Award. The ceremony will take place on November 24th at 10:00am in St. Mary's Cathedral.

The One in Faith award is presented to a family in the Archdiocese of Miami who represents excellence in evangelization and is firmly committed to spreading the Good News of our faith by helping those living without the good news know the fullness of life Christ said he came to bring. The Garcia's have dedicated their lives to evangelization through community involvement in various parishes and schools. Ana and Eddie Garcia have been principals in Catholic institutions for over 15 years, and their children also practice the faith: all three attended Catholic schools, one teaches in a Catholic school, and one has joined the priesthood. As Catholics, our lives revolve around our relationship with Christ, and that relationship influences everything we do and are, and that is exemplified in The Garcia family.
